

PARTICIPATION AWARD PATCH PROGRAM

This award was established in 2012 by the Santa Maria HOG Chapter and the Participation Award Patch program allows members to earn a very nice patch and year rocker for their vest/jacket. Members can earn this patch and year rocker by participating in HOG events, attending general membership meetings, volunteering for fundraisers and going on Chapter rides. Basically anything 'Chapter' sponsored (examples: monthly meetings, most rides, events, etc.).

Members will receive one point for each event or day ride. Overnight / multi-day rides will garner the rider / passenger one point for each day of the ride that they participate on. LOH functions *do not* count towards the Chapter Participation and nor do Bike Nights.

The Top Ten points accumulated during the calendar year will receive the Chapter Participation Award Patch. Previous recipients of the Participation Award patch will *only receive a year bar thereafter*. So there is a possibility that with several ties in points that there could be 10 – 15 or more riders receiving a patch / rocker. Our HOG Chapter Participation Award Patch is a great way to show your achievements and dedication to Santa Maria HOG.

The Chapter Historian along with the Head Road Captain will maintain a master listing for the calendar year with the assistance of the Membership Officer. If you have any questions please get with the Chapter Director.
